Refer to the FES brochure for additional FES (wave) Items, including carriers, tape, and hooks.

Forest Group is specialised in the development, production and supply of highly innovative curtain tracks and window coverings. We offer different curtain track solutions especially made for the hospitality industry. Whether you choose for our motorised curtain tracks or rods, blinds or manual curtain tracks your client will experience 'the Forest Factor'. Which stands for a unique combination of smooth hanging curtains, comfortable luxury and optimal ease of use.

THE WORLD BEHIND YOUR CURTAINS

More than thirty years ago it started with a flexible aluminium system, better known as Forest KS® system. The range was expanded at a rapid pace, always focusing on functionality and quality. The technologies conquered the world. Hotels all over the world are satisfied users of Forest systems and even iconic hotels like the Palazzo, the Venezian, both in Las Vegas and the mega hotels in Dubai were equipped with kilometers of tracks from Forest Group.

Forest Group supplies its products in more than 100 countries worldwide and has sales offices in The Netherlands, United States, China, United Arab Emirates, United Kingdom and Poland, ensuring a global availability of our products.

Some well-known and recognised features of the Forest Group curtain track systems are:

- **High-quality standards:** We guarantee a long lifespan.
- **Comfort and silence:** Curtains open and close silently, creating a serene and comfortable environment.
- **Adds style to windows:** Always perfectly hanging curtains thanks to our systems, including motorised solutions.
- **Smart integration:** Controllable via app, voice, and home automation systems for ultimate convenience.
- **Sustainability:** We use a minimum of 75% recycled aluminium.
- **Unique warranty:** 10-year warranty.
